

Humphrey Ranch

Lassen County, California

\$5,500,000 | 2,100+/- Acres

727-150 Old Highway 395
 Milford, California

1898! Jim Humphrey rode over the Sierra and started the Humphrey Ranch. It has been in the same family for 125 years! The pioneers took up the very best! The ranch runs in one unbroken block from USFS lands in the Sierras down to the shores of Honey Lake. The diversity of the topography allows for a completely inside cattle and hay operation.
