## **PROPERTY DESCRIPTION**

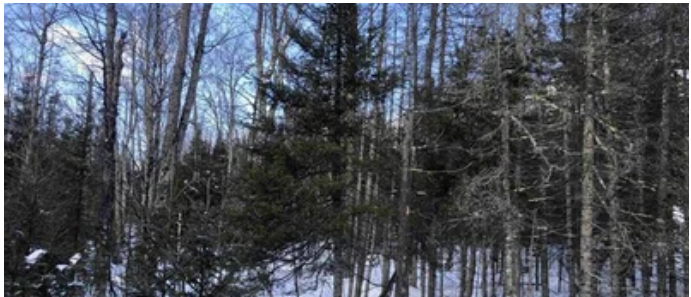

Comprised of 660 acres of forested and wetland terrain in Southern Marquette County, 20 miles South of Gwinn in the Upper Peninsula of Michigan. Without exception, this is a class act hunting property. Hunter's brook runs along most of the Eastern boundary of this large tract and is absolutely beautiful. The property is in CFR. An easement road and water control structures surrounding an access road, and trails within make the majority of these 660 acres easily accessible with an ATV or UTV. The tract is adjacent to other CF, Timber and Gwinn State Forest lands for access to additional trails and recreational opportunities including Snowmobile Trail 33 a short drive away. White-tail deer, Bear, Moose, Turkey, Grouse, Duck and many other birds and smaller animals call this land their home. This property is one of a kind and has been host to a hunting club before selling the business. The acreage, especially at this price point, is a great investment and perfect for hunting, wetland conservation or just some peace and quiet. A few areas would make for a great building spot if land was moved in QF to avoid penalty and reap tax benefits on such a large parcel. This great expanse of nature maintains itself and is a real slice of heaven. Please note, the parcel includes 500 acres with no divisions, (1) 500 acre (2) 40 acre parcels and (1) 80 acre parcel, also listed separately for sale on the MLS.
