PROPERTY DESCRIPTION

Stunning may not say enough for this 40-acre homesite located on the east side of the beautiful Fall River Valley. This unique property has its own little mountain and is one of the highest points in the valley. As you begin driving up the knoll, the views start to come into play, by the time you reach the top, you will be "star struck". It takes a while to absorb all the beauty in a panoramic setting. Laying out in front and all around, you can see lush farm ground, ranches, rivers, and surrounding mountains including majestic Mt. Shasta. The house pad has been cleared on top of the knoll, with a circular driveway back to the entry road.

Property Highlights:

- A permitted leach field is in, you will need to install a septic tank.
- Drill a well and bring power to the building site. Or go solar!
- Just imagine the sunsets and sunrises, watch the storms come across the valley.
- You will most likely get a rainbow or two.
- In acquiring this property, you will be the happy new owner to one of the most stunning homesites in the valley.
