PROPERTY DESCRIPTION

40ac of off-grid hunting land. This property is relatively flat which is hard to find in this area. This is a very quiet and secluded area with a gate that keeps the public from using the easement road. The timber was harvested a few years ago, which has allowed for an abundance of native plants to grow creating the perfect habitat for deer. Pea Ridge Conservation Area and Mark Twain National Forest are all around making the hunting opportunities nearly endless. This property does not currently have access to electric.
