PROPERTY: This home sets on 20 acres. The land is mostly sagebrush. It is fairly level. It is perimeter fenced and could be cross-fenced if you wanted to have a couple of animals. There are great views from this parcel. South you can see Steens Mt. which is almost 10,000 ft. high. To the east is Stinkingwater Mt, and north are more mountains. West you would look over the Harney Basin towards Burns.

On the east end there is an attached car port and attached to the other side of it are 3 small sheds for storage and tools. On the back of the house is a handicap wooden ramp built to the door. This MH is set up very well, it is on a concrete slab with concrete blocks for skirting and tie downs are in place. There is a small deck on the back side with railing. The roof is metal and has nice eaves. The house is in very good condition. However, it has been moved twice and can be financed VA but not conventional.
