**PROPERTY DESCRIPTION**

Here's the Perfect Investment! 227 Acres +/- of pivot irrigated farmland in Franklin, County, North Pasco, Washington, with a gentle southern slope. Leased through the end of 2031. SCBID water; county road on South side and secondary state highway on the East side.

There is a former labor housing site on the SW corner where there are 4 pads for MfgHms. One is currently rented, two are boarded up, and the other 1 is totally eradicated. They can be replaced with county approval. There is a single well shared by all 4 homes and each has an independent septic. The original house along Elm is a separate parcel and is not part of the transaction.

There is an irrigation encroachment onto the neighbor to the north for about 3-5 acres of the one pivot. Current tenant pays that neighbor for these acres under a private rental agreement (to allow the pivot to go around.) There are 222 acres under irrigation, 3+/- acres in corners, and acres in the housing area.
