#### **PROPERTY DESCRIPTION**

Cabin in the woods! This Siskiyou County retreat property in far northern California features a small cabin with kitchen area, plus a loft, on 78.6 +/- acres in two legal parcels. There is another building (20x40 approx) with a large unfinished open room interior (the green building), an outhouse, a large equipment shed/shop that has 3 open bays and one enclosed bay with a cement floor. The property is off grid, with a small solar set up for the cabin. There is a spring, pelton wheel, two water tanks and a septic (not hooked up). The cabin does not have a bathroom. The property includes a small log pond and sawmill, and a rock pit. The terrain is varied, mostly hillside with several benches tucked in. The lower portion of the property burned several years ago. It's a private location with pretty views and is about an hour's drive from Yreka (down the Klamath River). The north and east sides are bordered by Klamath National Forest. Deer and elk have been sighted on the property. If you've been looking for your own little getaway, make an appointment to see this cabin and property!
