This water body, and its marshes are home to beaver, and water fowl. Some warmwater species of fish may be present there as well. - Grouse, Deer, Bear, and Wolves visit the property, and there have been sightings of Eagles and Hawks near the creek. - The overall tree species is Aspen, with pockets of maple, birch, balsam and planted white spruce. - The Property is enrolled in the Michigan CFA Program: CF Landowners do not pay ad valorem general property taxes. Instead, CF landowners pay a specific tax. The CF specific rate for 2022-2026 is \$1.35 per acre annually.
